

## Customization Spare Parts Type Sheet Metal Bending Fabrication for Production Design

Our Product Introduction

for more products please visit us on [mimmetalparts.com](http://mimmetalparts.com)

### Basic Information

- Place of Origin: Guangdong, China
- Brand Name: MDM
- Minimum Order Quantity: 3000 pieces
- Price: \$0.57 - \$0.79/pieces
- Packaging Details: Neutral packaging or according to request
- Supply Ability: 60000 Piece/Pieces per Month

### Product Specification

- Condition: New
- Type: Stamping Parts
- Spare Parts Type: Customization
- Video Outgoing-inspection: Provided
- Machinery Test Report: Provided
- Marketing Type: New Product 2023
- Material: Stainless Steel
- Plating: NICKEL
- Warranty: 1.5 Years
- Key Selling Points: High Productivity
- Weight (KG): 0.01 KG
- Applicable Industries: Hotels, Building Material Shops, Machinery Repair Shops, Manufacturing Plant, Food & Beverage Factory, Farms, Construction Works, Energy & Mining, Food & Beverage Shops, Other

## Product Description

### Precision Stamping Machining Small and micro food processor blade Metal Parts

#### Product Description

#### OEM precision stamping metal parts

<b>Product Name</b>	OEM precision stamping metal parts
<b>Material</b>	Stainless,Stainless steel, carbon steel, steel, iron,copper, brass, aluminum, etc
<b>Technology</b>	Stamping ,deep drawing,laser cutting,welding,bending,forming,threading,etc.
<b>Surface treatment</b>	Polishing, anodizing, zinc plating, nickel plating, chrome plating, sand blasting, powder coating, acid-pickling,oxidation,anodized,brushing,dacromet,painting , etc.
<b>Certification</b>	ISO9001:2008, SGS, ROHS

#### Packing & Shipping

Packed in Tray and Carton

Shipping method according to customer's request.

#### Our Services

Free samples, fast delivery, on time response

Parts production, inspection and shipping

<b>Surface treatment</b>	PVD coating, Anodize with many different colors, Chrome plating with flash looking
<b>Heat treatment</b>	Annealing, Normalizing, tempering, Quenching,quenching and High temperature tempering ,High frequency heat treatment,Tenifer QPQ and etc.
<b>Machine Accuracy :+/-0.005mm~ Inspection Accuracy: +/-0.003mm~</b>	
<b>Equipments</b>	a) CNC Machining Center
	b) CNC Turning and Milling
	c ) Surface grinder , Inside and outside round grinder
	d) Electric spark machine
	e) CNC Punching Machine
	f)Laser cutting machine
	g) Precision Cutting Machines
	h) Argon Welding Machines and Carbon dioxide protection welding
	m)NC Bending Machine
<b>Drawing file format</b>	DXF,DWG,IGS,STP,PDF.
<b>Preferred Industries</b>	a) Communication Equipments
	b) Medical Equipments
	c) Ship accessories
	d) Electronic hardware accessories
	e) Mechanical Equipments
	f) Other customized Parts
<b>Customized size and spec /OEM available</b>	

#### Company Information

Dongguan Minda Metal Technology Co.,Ltd. Was founded in 2015. We specialize in producing MIM parts, PM part, CNC machining parts and Aluminum alloy, Magnesium alloy and Zinc alloy die casting parts. At the same time we also undertake the corresponding product mold design and development and production.

Our professional sales staff will communicate and understand the needs of customers in a timely manner and convey to the technical staff, and the general manager will quickly give the quotation scheme suitable for the product.

In the production process, we will check the quality of products at any time. The product will be fully inspected before shipment to ensure that none of the defective products reach the customer's hands.

You have the right needs and we have the right expertise, for hardware accessories solutions please feel free to contact us, we are there for you 7x24h.

#### Workshop and Facilities:

sintering furnace

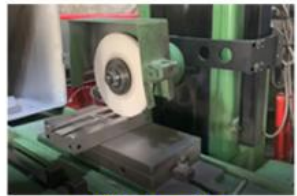

injection machine

debinding machine

CNC center

milling machine

CNC machining

1000 ton die-casting machine

mold workshop

post procesing workshop

#### Strong Logistics System:

**DHL**  
中外运敦豪

**FedEx**  
Express

**EMS**

- ✓ Strong Logistics Management Team
- ✓ Foreign Trade Documents specialist
- ✓ Import and export License Available
- ✓ Customs clearance Capability
- ✓ On-time Delivery & Highest Quality of Service

**TNT**

By Sea

#### FAQ

1.Are you a manufacture or a trading company?

A: We are a manufacture & trading company with over 10 years' experience in custom machining service.

**2. Can you make casting according to our drawings?**

A: Yes, we can. We are specialize in custom services based on drawings, Eepecially medical equipment accessories, auto parts, ect..

**3. What kind of materials are used on your products normally ?**

A: Steel, Aluminum, Brass, Stainless Steel, Bronze, Titanium alloy, ect..

**4. What is the payment term?**

A: T/T, L/C, D/P, D/A acceptable, just let us know which is convenient for you.

**Our Advantage:**

**Dongguan Minda Metal Technology Co., Ltd.**
