

Competitive for Cnc Turning Precision Lock Parts Made by Custom Metal Fabrication

Our Product Introduction

for more products please visit us on mimmetalparts.com

Basic Information

- Place of Origin: Guangdong, China
- Brand Name: MDM
- Minimum Order Quantity: 2000 pieces
- Price: \$0.76 - \$0.99/pieces
- Packaging Details: Neutral packaging or according to request
- Supply Ability: 30000 Piece/Pieces per Month

Product Specification

- Condition: New
- Type: Powder Injection Molding
- Spare Parts Type: OEM
- Video Outgoing-inspection: Provided
- Machinery Test Report: Provided
- Marketing Type: Hot Sale Product 2023
- Material: Stainless Steel
- Plating: NICKEL
- Warranty: 2 Years
- Key Selling Points: Competitive Price
- Weight (KG): 0.02 KG
- Applicable Industries: Building Material Shops, Machinery Repair Shops, Manufacturing Plant, Food & Beverage Factory, Farms, Energy & Mining, Food & Beverage Shops, Other, Advertising Company

PRODUCT SPECIFICATIONS

No	Item	Data
1	Production process	Metal injection molding, powder metallurgy
2	Material	MIM4650, MIM FN08 304L, 316L, 17-4PH, 420SS Etc.
3	Application fileds	Lock, auto cars, Electric tolls, cutting tools, household appliances, consumer electronic products
4	Surface treatment	QPQ, Black oxide, PVD, electric plating etc.
5	Heat treatment method	Quenching, Tempering, Annealing
6	Sintering method	Solid sintering, Liquid phase sintering, Pressure sintering
7	Sintering furnace	Vacuum sintering furnace, mesh belt furnace

COMPANY PROFILE

sintering furnace

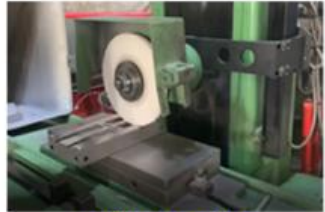

injection machine

debinding machine

CNC center

milling machine

CNC machining

1000 ton die-casting machine

post procesing workshop

Packing & Delivery

Packed in foam envelope
Protect the products from
scratch and rust

Packed in foam blister
Protect the products from
Damage and rust

Outer package, with carton boxes with
0.6mm thick to keep the parts safe and
complete to arrive at the destination

OUR ADVANTAGES

WHY CHOOSE US

FAQ

Q1. Are you a manufacture or a trading company?

A: We are a manufacture & trading company with over 10 years' experience in custom machining service. And have been trading with overseas clients for many years.

Q2. How do you work the parts?

A: We mainly produce custom parts, means produce according to clients' drawings or samples. We will fully evaluate the drawings before production and provide customers with the best solution to minimize the costs.

Q3. What kind of materials are used on your products normally ?

A: For MIM/PM process the materials are Iron base, stainless steel powder. For CNC machining parts the materials are Steel 4140, 4340, #45 steel, Chroma steel, 420 SS, 304SS, 316SS, Brass, Titanium etc.

Q4.What is the payment term?

A: T/T, L/C, D/P, D/A acceptable, just let us know which is convenient for you.
