

## Custom CNC Machining Service for Precision Brass Stainless Steel Aluminum Metal Parts

Our Product Introduction

for more products please visit us on [mimmetalparts.com](http://mimmetalparts.com)

### Basic Information

- Place of Origin: Guangdong, China
- Brand Name: MDM
- Model Number: MDM
- Minimum Order Quantity: 1000 pieces
- Price: \$0.90/pieces 1000-4999 pieces

### Product Specification

- CNC Machining Or Not: Cnc Machining
- Type: DRILLING, Laser Machining, Milling, Other Machining Services, Turning
- Material Capabilities: Aluminum, Brass, Bronze, Copper, Hardened Metals, Stainless Steel, Steel Alloys
- Micro Machining Or Not: Not Micro Machining
- Material: Aluminum & Stainless Steel
- Product Name: Machinery Accessories
- Process: CNC Turning Milling
- Tolerance: 0.01-0.05mm
- Surface Treatment: Customer's Request
- Size: Customized Sizes Acceptable
- Color: Customized Color
- Packing: Poly Bag + Inner Box + Carton
- Delivery Time: 15-30 Days

## Products Description

---

## Products Specification

Item	Value
Place of Origin	China
Brand Name	MDM
Model Number	None
Application	Industrial , Construction , Medical , Marine , Electronics , Furniture
Shape	Customization
Chemical Composition	C , Si , Mn , P
Material	Stainless Steel or Aluminum
Spare Parts Type	Mod Spare Parts
Testing Report	Available
Key Selling Pionts	High Cost Performance
Tolerance	Generally 0.05mm
Video Outgoing inspection	Provide

## Company Profile

Minda Metal Technology is a developing enterprise in the field of hardware accessories, established in 2015, located in Changan Town , Dongguan city of Guangdong province , possess 80 employees and 2000m<sup>2</sup> workshop . We dedicated to produce more precision and more

durable hardware products . The main products include : ER, SK , DC, NBC, FDC, and other series collets chucks made with bearing steel and stainless steel 440. Our company also undertakes customized processing businesses . Including MIM parts, Powder metallurgy parts, CNC machining parts and Aluminum alloy, Magnesium alloy and Zinc alloy die casting parts . These products are exported to the United States, Germany , Italy, Britain, Spain, Southeast Asia and other countries and regions, winning the good public praise. Advanced technology and professional knowledge is our quality guarantee . Focus on product quality and customer satisfaction is our ambition. If you have the demands for hardware accessories , please kindly feel free to contact us , We will provide specialized service for 7 x 24H .
