

Nickel Plating MIM Parts for Tool Industry Custom Metal Fabrication

Our Product Introduction

for more products please visit us on mimmetalparts.com

Basic Information

- Place of Origin: Guangdong, China
- Brand Name: MDM
- Minimum Order Quantity: 1000 pieces
- Price: \$0.75/pieces 1000-4999 pieces

Product Specification

- Condition: New
- Type: Metal Injection Molding
- Spare Parts Type: Customized
- Video Outgoing-inspection: Provided
- Machinery Test Report: Provided
- Marketing Type: Hot Product 2023
- Material: ALLOY
- Plating: NICKEL
- Warranty: 2 Years
- Key Selling Points: Long Service Life
- Weight (KG): 0.02 KG
- Applicable Industries: Building Material Shops, Machinery Repair Shops, Manufacturing Plant, Food & Beverage Factory, Farms, Construction Works, Energy & Mining, Food & Beverage Shops, Other

Product Description

Company Profile

item	value
Place of Origin	China
	Guangdong
Brand Name	MDM
Model Number	MDM
Product type	Parts for tool industry
Materials	Stainless steel 316L, 304/17-4PH, Fe4Ni, Fe8Ni
Surface treatment	Polishing, drawing, sandblasting, electroplating, coating, etc.
Formation method	Powder injection molding
Sintering method	Solid sintering
Application industry	Machinery industry
Shape	Custom
OEM	Accept

Dongguan Minda Metal Tchechnology Co.,Ltd. Was founded in 2015. We specialize in producing MIM parts, PM part, CNC machining parts and Aluminum alloy, Magnesium alloy and Zinc alloy die casting parts. At the same time we also undertake the corresponding product mold design and development and production.

Our professional sales staff will communicate and understand the needs of customers in a timely manner and convey to the technical staff, and the general manager will quickly give the quotation scheme suitable for the product. In the production process, we will check the quality of products at any time. The product will be fully inspected before shipment to ensure that none of the defective products reach the customer's hands.

You have the right needs and we have the right expertise, for hardware accessories solutions please feel free to contact us, we are there for you 7x24h.

sintering furnace

injection machine

debinding machine

CNC center

milling machine

CNC machining

1000 ton die-casting machine

mold workshop

Specification

Packing & Delivery

Packed in foam envelope
Protect the products from
scratch and rust

Packed in foam blister
Protect the products from
Damage and rust

Outer package, with carton boxes with
0.6mm thick to keep the parts safe and
complete to arrive at the destination

Our Advantages

WHY CHOOSE US

FAQ

Q1. Are you a manufacture or a trading company? A: We are a manufacture & trading company with over 10 years' experience in custom machining service. And have been trading with overseas clients for many years.

Q2. How do you work the parts? A: We mainly produce custom parts, means produce according to clients' drawings or samples. We will fully evaluate the drawings before production and provide customers with the best solution to minimize the costs.

Q3. What kind of materials are used on your products normally? A: .For die-casting process we use Aluminum alloy, Magnesium alloy and Zinc alloy. For MIM/PM process the materials are Iron base, stainless steel powder. For CNC machining parts the materials are Steel 4140, 4340, #45 steel, Chroma steel, 420 SS, 304SS, 316SS, Brass, Titanium etc.

Q4. What is the payment term? A: T/T, L/C, D/P, D/A acceptable, just let us know which is convenient for you.
