

Precision Sintered Metal Parts MIM Lock Parts Metal Bushing ODM

Our Product Introduction

for more products please visit us on mimmetalparts.com

Basic Information

- Place of Origin: Guangdong, China
- Brand Name: MDM
- Minimum Order Quantity: 1000 pieces
- Price: \$0.79/pieces 1000-1999 pieces

Product Specification

- Condition: New
- Type: Metal Injection Molding
- Spare Parts Type: Customization
- Video Outgoing-inspection: Provided
- Machinery Test Report: Provided
- Marketing Type: Hot Product 2023
- Warranty: 2 Years
- Key Selling Points: High Productivity
- Weight (KG): 0.01 KG
- Applicable Industries: Building Material Shops, Machinery Repair Shops, Manufacturing Plant, Farms, Printing Shops, Construction Works , Energy & Mining, Other
- Local Service Location: None
- Showroom Location: None
- Material: MIM4605

Product Overview

SIMILAR PRODUCTS

PRODUCT SPECIFICATIONS

| item | value |
|-----------------------|--|
| Production process | Metal injection molding, powder metallurgy |
| Material | MIM4650,MIM FN08 304L, 316L, 17-4PH, 420SS |
| Application fields | Lock, auto cars, Electric tools, cutting tools, household appliances, consumer electronic products |
| Surface treatment | QPQ, Black oxide, PVD coating, electric plating etc. |
| Heat treatment method | Quenching, Tempering, Annealing |
| Quantity check | Random check during production, 100% inspection before shipment |
| Sintering method | Solid sintering, Liquid phase sintering, Pressure sintering |
| Sintering furnace | Vacuum sintering furnace, mesh belt furnace |
| Payment terms | T/T at sight, Paypal, Western Union,etc. |
| Lead time | 20-40 days |
| Supply capability | 50000 pcs per monthly |

COMPANY PROFILE

Dongguan Minda Metal Technology Co.,Ltd. Was founded in 2015. We specialize in producing MIM parts, PM part, CNC machining parts and Aluminum alloy, Magnesium alloy and Zinc alloy die casting parts. At the same time we also undertake the corresponding product mold design and development and production.

Our professional sales staff will communicate and understand the needs of customers in a timely manner and convey to the technical staff, and the general manager will quickly give the quotation scheme suitable for the product.

In the production process, we will check the quality of products at any time. The product will be fully inspected before shipment to ensure that none of the defective products reach the customer's hands.

You have the right needs and we have the right expertise, for hardware accessories solutions please feel free to contact us, we are there for you 7x24h.

Our Advantages

WHY CHOOSE US

Packing and Shipping

Packed in foam envelope
Protect the products from
scratch and rust

Packed in foam blister
Protect the products from
Damage and rust

Outer package, with carton boxes with
0.6mm thick to keep the parts safe and
complete to arrive at the destination

FAQ

Q1. Are you a manufacture or a trading company?

A: We are a manufacture & trading company with over 10 years' experience in custom machining service. And have been trading with overseas clients for many years.

Q2. How do you work the parts?

A: We mainly produce custom parts, means produce according to clients' drawings or samples. We will fully evaluate the drawings before production and provide customers with the best solution to minimize the costs.

Q3. What kind of materials are used on your products normally ?

A: .For die-casting process we use Aluminum alloy, Magnesium alloy and Zinc alloy. For MIM/PM process the materials are Iron base, stainless steel powder. For CNC machining parts the materials are Steel 4140, 4340, #45 steel, Chroma steel, 420 SS, 304SS, 316SS, Brass, Titanium etc.

Q4.What is the payment term?

A: T/T, L/C, D/P, D/A acceptable, just let us know which is convenient for you.
