

## MIM Processing Customized Iron Base Stainless Steel Metal Powder Metallurgy Injection Molding for Power Tools Parts

Our Product Introduction

for more products please visit us on [mimmetalparts.com](http://mimmetalparts.com)

### Basic Information

- Place of Origin: China
- Brand Name: MDM
- Model Number: None
- Minimum Order Quantity: 1000 pieces
- Price: \$0.22/pieces 1000-4999 pieces
- Delivery Time: 2-4 weeks
- Payment Terms: L/C, D/A, D/P, T/T, Western Union, MoneyGram

### Product Specification

- Place Of Origin: Guangdong, China
- Brand Name: MDM
- Model Number: None
- Material: Customized
- Product Name: Power Tool Parts
- Size: Customized Size
- Customized Size: Customized Color
- Type: Hardware Parts
- Highlight: Stainless Steel Metal Powder Injection Molding, Customized Metallurgy Injection Molding, MIM Processing Power Tools Parts

## Product Description

### Product Description

## Specification

item	value
Place of Origin	China
	Guangdong

Brand Name	MDM
Application	Electronic products, communication equipment, locks, household appliances
Shape	according to the drawings requirements
Material	Stainless steel, iron base, brass etc
Condition	New
Test Report	Available
Plating	Chrome plating, PVD coating, QPQ, Black oxide etc.
Key Selling Points	Good quality, after sales guarantee
Applicable Industries	Building Material Shops, Machinery Repair Shops, Manufacturing Plant, Construction works , Energy & Mining, Food & Beverage Shops, Other
Technology	Metal Powder Injection Molding(MIM)
Package	Tray and carton
Type	MIM part, powder metallurgy parts, Stamping Parts
Warranty	6 Months

## Company Profile

Dongguan Minda Metal Tchechnology Co.,Ltd. Was founded in 2015. We specialize in producing MIM parts, PM part, CNC machining parts and Aluminum alloy, Magnesium alloy and Zinc alloy die casting parts. At the same time we also undertake the corresponding product mold design and development and production.

Our professional sales staff will communicate and understand the needs of customers in a timely manner and convey to the technical staff, and the general manager will quickly give the quotation scheme suitable for the product.

In the production process, we will check the quality of products at any time. The product will be fully inspected before shipment to ensure that none of the defective products reach the customer's hands.

You have the right needs and we have the right expertise, for hardware accessories solutions please feel free to contact us, we are there for you 7x24h.
