

Stainless Steel CNC Machining Parts Custom OEM Micro Machining

Our Product Introduction

for more products please visit us on mimmetalparts.com

Basic Information

- Place of Origin: Guangdong, China
- Brand Name: MDM
- Minimum Order Quantity: 1000
- Price: \$1.78-1.86

Product Specification

- Material: Stainless Steel
- Weight: 0.01 KG
- Tolerance: +/-0.01mm
- Micro Machining: Yes
- Surface Treatment: Anodizing, Brushing, Galvanized, Laser Engraving, Silk Printing
- Testing Equipment: CMM; Tool Microscope, Multi-joint Arm
- Shaping Mode: Die Casting
- Processing: Stamping Machining
- Material Capabilities: Brass, Bronze, Copper, Hardened Metals, Precious Metals, Stainless Steel
- Machining Type: Etching / Chemical Machining, Milling, Other Machining Services
- QC Inspection: 100% QC Quality Inspection Before Delivery
- Powder Metallurgy: Yes
- Video Inspection: Provided

Product Description

OEM Stainless Steel CNC Machining Custom Parts Prototype Milled Turned Part

Product Attributes

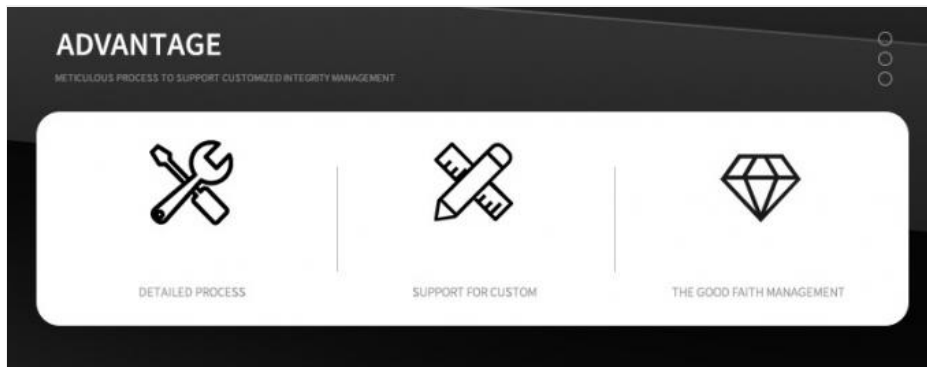

Attribute	Value
Type	Powder metallurgy
Material	Alloy, stainless steel
Warranty	2 years
Weight	0.01 KG
Machining Type	Etching / Chemical Machining, Milling, Other Machining Services
Micro Machining	Yes
Surface Treatment	Anodizing, Brushing, Galvanized, Laser engraving, Silk printing
Tolerance	+/-0.01mm, 100% QC quality inspection before delivery
Applicable Industries	Building Material Shops, Machinery Repair Shops, Manufacturing Plant, Food & Beverage Factory, Farms, Construction works, Energy & Mining, Food & Beverage Shops

WHY CHOOSE US

Dongguan Minda Metal Technology Co., Ltd. was founded in 2015. We specialize in producing MIM parts, PM parts, CNC machining parts, and Aluminum alloy, Magnesium alloy, and Zinc alloy die casting parts. We also undertake corresponding product mold design, development, and production.

Our professional sales staff communicate with customers to understand their needs and convey them to technical staff. The general manager provides quick quotation solutions suitable for each product.

During production, we conduct continuous quality checks. All products undergo full inspection before shipment to ensure no defective products reach customers.

For hardware accessories solutions, please feel free to contact us - we're available 24/7.

Frequently Asked Questions

Q1. Are you a manufacturer or a trading company?

A: We are a manufacturer & trading company with over 10 years' experience in custom machining services, including extensive experience with overseas clients.

Q2. How do you work the parts?

A: We produce custom parts according to clients' drawings or samples. We evaluate drawings before production to provide the best cost-effective solutions.

Q3. What materials do you typically use?

A: For die-casting: Aluminum alloy, Magnesium alloy, Zinc alloy. For MIM/PM: Iron base, stainless steel powder. For CNC machining: Steel 4140, 4340, #45 steel, Chroma steel, 420 SS, 304SS, 316SS, Brass, Titanium, etc.

Q4. What are your payment terms?

A: We accept T/T, L/C, D/P, D/A - let us know which method works best for you.
