

Customized Small Powder Metallurgy Gear with 0.02mm Tolerance and 100% QC Inspection

Our Product Introduction

for more products please visit us on mimmetalparts.com

Basic Information

- Place of Origin: China
- Minimum Order Quantity: 1000
- Price: \$0.05-0.12

Product Specification

- Weight: 0.01 KG
- Material: Aluminum Alloy
- Surface Treatment: Anodizing
- Tolerance: 0.02mm
- Processing Method: CNC Machining Lathing
- Chemical Composition: C, Si, Mn, P
- Stainless Steel Type: 316L, 304L
- Shape: Customized
- Test Report: Available
- Video Inspection: Provided
- Minimum Order Quantity: 100
- Packing: Poly Bag + Inner Box + Carton
- Quality Control: 100% QC Inspection
- Size: Customized Sizes Acceptable
- Color: Customized Colors

Product Description

Customized Small Powder Metallurgy Technology Brass Copper Gear Metal Gear

Product Overview

Product Specifications

Item	Value
Place of Origin	China, Guangdong
Brand Name	MDM
Model Number	none
Application	Industrial, construction, medical, Marine, electronics, furniture
Shape	According to client's drawings
Material	316L, 304L, Stainless steel
Chemical Composition	C, Si, Mn, P
Applicable Industries	Building Material Shops, Machinery Repair Shops
Spare Parts Type	Mod spare parts
Test Report	Available
Key Selling Points	Competitive Price
Tolerance	Generally 0.05mm
Video outgoing-inspection	Provided

Company Profile

Dongguan Minda Metal Technology Co., Ltd. was founded in 2015. We specialize in producing MIM parts, PM parts, CNC machining parts and Aluminum alloy, Magnesium alloy and Zinc alloy die casting parts. We also undertake corresponding product mold design, development and production.

Our professional sales staff communicate with customers to understand their needs and convey them to technical staff. The general manager provides quick quotations suitable for each product.

During production, we conduct quality checks at all stages. Products undergo full inspection before shipment to ensure no defective items reach customers.

For hardware accessories solutions, please contact us anytime - we're available 24/7.
